Department 26

In this information brochure you can find practical information about your department. Furthermore, you can find specific guidelines decided by the residents of the department. By following these guidelines, we will all thrive in our community.

General advice

In 'The house rules' of your department you can find important information, which can have consequences for your rent of property at Vivabolig. Therefore, you should read 'The house rules' closely when taking over your residence.

As a new renter you must pay attention to the rental contract §9, if you find any flaws and deficiencies in your residence. The deadline is two weeks from the day you took over your residence.

We advise you to take out a contents insurance, as the department's insurance does not cover your personal belongings in case of e.g. fire and water damage.
